Présentation

Les cahiers Pédago-FA pour la francisation-alpha sont des documents qui ont été créés à partir du *Programme-guide francisation-alpha* (juin 2015) du CSSDM. Le contenu proposé dans celui-ci a été rassemblé en fonction de la section « Vocabulaire » des tâches du programme d'enseignement-apprentissage de l'oral du niveau 1.

Ce cahier est organisé par thèmes plutôt que par tâches, puisqu'il y a du vocabulaire qui peut servir à différentes tâches. L'objectif de ce cahier est de soutenir les enseignant-e-s dans la prestation de leurs cours et de permettre aux apprenant-e-s de développer leur vocabulaire. Il s'agit d'un cahier, puisque les apprenant-e-s sont invité-e-s à y ajouter ou à y laisser des traces, illustrées ou écrites, notamment dans leur langue maternelle, le cas échéant.

Considérant l'éventail des profils d'apprentissage des apprenant-e-s en francisation-alpha, ce matériel est disponible en version modifiable. Ainsi, l'enseignant-e peut l'adapter à des fins pédagogiques, notamment en modifiant ou en réorganisant les images qu'il contient.

→ *Il est important de se référer au Programme-guide pour connaître le traitement prévu des objets d'apprentissage.*
